HEALTH SOLUTIONS

THE CORONAVIRUS THREAT AND CURRENT HEALTH SOLUTIONS' RESPONSE

At CHS, nothing is more important than the safety and security of our associates and our members. Toward that end, we've closely monitored the recent coronavirus outbreak and made plans to address the risks posed to our employees and our business partners.

CHS and our administrative partner, SIHO Insurance Services has established a Coronavirus Preparedness Team comprised of leadership from IT, HR, Medical Management, Customer Service and other areas to coordinate our preparation for, and any needed response to, an actual outbreak affecting our communities.

CHS and our administrative partner, SIHO Insurance Services has also established a mobile workforce plan in the event our office is closed, or travel is restricted. Employers, Brokers, Members, and Providers can also visit www.currenthealthsolutions.org for updates specific to the Coronavirus. As always, our customers can continue to view their plan information, claims status, and eligibility via our secure web portal.

For our Self-Funded customers:

- In-Network **Testing** for the Coronavirus (COVID-19) will be covered at no out of pocket cost to member.
- **Treatment** for the virus would be covered as any other illness.
- Updated information and recommendations will be placed on the CHS website.

Lastly and for your information, the IRS has issued communication that High-Deductible Health Plans (HDHPs) can cover the virus testing and treatment without jeopardizing their status. A link to this notice has been provided below:

<https://www.irs.gov/newsroom/irs-high-deductible-health-plans-can-cover-coronavirus-costs>

Please reach out to your CHS Account Manager with any questions.

Thank you,

Jordan Kiel
Executive Director
